

You SAY it, We DO it...

Hallmarks of our Translation Service

- Efficient in providing translation services from and into 49 languages and many more.
- By using latest technologies and TM tools we ensure fast and reliable translation.
- We work on high quality measures.
- We have handled all type of documents using our specific knowledge in areas such as Information technology, Education, Medical, Industrial Production, Finance and Accounting, Biotechnology, Consumer Products, Travel & Hospitality, Law, Entertainment, Automobile etc.
- Established special departments dedicated to legal and financial translation.
- We are defined by the excellence of the services we offer, the fulfillment of deadlines and objectives agreed upon.
- We believe in maintaining complete customer project confidentiality.
- We are always open to hearing from you to discuss any aspect related to project even after you have received it.

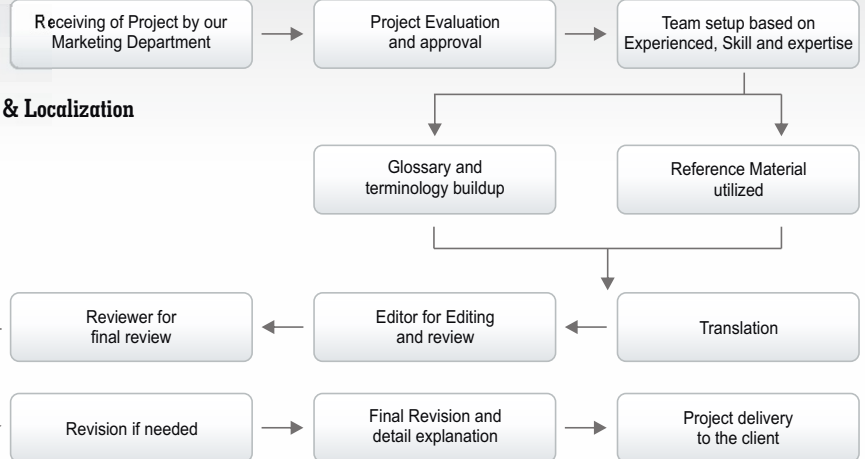

Why You Prefer Us ?

- Each undertaken project is well researched, before being executed by the experienced translators.
- After translation each project undergoes the formal proofreading procedure and then reviewed by the expert of that domain prior to delivery.
- We are associated with pool of highly qualified native language translators.
- 27 X 7 Availability.
- All your e-mail will be replied maximum within 3 hrs.
- We provide reliability to customers over freelancers.
- We are committed to provide high quality service, on time deliveries and competitive price.
- We are trustworthy name in linguistic market.
